3. During the course of this investigation, after review of various department records and the signed criminal court affidavit by PO Delrosario, and conferral with the Assistant District Attorney Ginensky, it was determined that on December 24, 2017, a firearm was discovered at the 28<sup>th</sup> Precinct Hub Site by PO Molina, 28<sup>th</sup> Precinct, prior to the prisoner being lodged at the 28<sup>th</sup> Precinct Hub Site. A subsequent department interview of PO Delrosario resulted in his admittance that he arrested Malik Ferrer for Criminal Mischief outside of Club Play Room, 3964 10<sup>th</sup> Avenue NY, NY. PO Delrosario was given the prisoners jacket by an employee at the aforementioned establishment and he did not search the jacket. Furthermore, PO Delrosario admitted in sum and substance that he was not aware of the prisoner's jacket being located on a ledge near the 34<sup>th</sup> Precinct Desk during arrest processing until he was preparing to transport the prisoner to the 28<sup>th</sup> Precinct Hub Site. After arrest processing was completed, PO Delrosario admitted that he did not search the prisoner's jacket because he believed his partner, PO Moscoso, searched the jacket upon entering the 34<sup>th</sup> Precinct for arrest processing. PO Delrosario allowed the prisoner to wear his jacket to the 28<sup>th</sup> Precinct Hub Site. PO Delrosario stated that he did deliver the prisoner to the 28<sup>th</sup> Precinct Hub Site, and was present for PO Molina recovering a loaded .22 caliber firearm, containing (5) five .22 caliber rounds, from the prisoner. The prisoner removed the firearm from his own jacket and placed it on a chair within the Hub Site prior to PO Molina recovering said firearm.

4. A department interview of Police Officer Daniel Molina, Tax [REDACTED] of the 28<sup>th</sup> Precinct, was conducted on April 17, 2018. PO Molina stated during the interview that PO Delrosario did escort Malik Ferrer to the 28<sup>th</sup> Precinct Hub Site. Prior to searching the prisoner, PO Molina asked the prisoner to empty his pockets. At this point, the prisoner pulled out a .22 caliber firearm and placed it on a chair within the 28<sup>th</sup> Precinct Hub Site. PO Molina examined the firearm and gave it to PO Delrosario. PO Molina then rejected the prisoner from the 28<sup>th</sup> Precinct Hub Site.
